I am mobing back to Dimock on Weds. 1/11, If we are ready to sample, Rupie can start the sampling on Wed. I don't need to be there to start that.

Yes, I will need you back at Dimock that Wednesday (1/11), if you are available. My plan was to have Rupie and Kelley be with the two sampling teams...but Rupie is talking about 3 teams, not sure where we are with that. He and I will have to nail that down this week.

Ex. 5 - Deliberative

At a minimum, I plan to issue POLREP1 , probably tomorrow or Wed.
Your help with future POLREPs would be appreciated.

We can talk more tomorrow.

looks like I mobe to Wmburg Monday and we do our thing Tuesday. Do you want me to plan to mobe back to Dimock Weds and help out with sampling coverage, POLREPs, etc. from there on out? I assume Rupie will cover sampling but who else? Do you want me to start on a Special Bulletin Weds night when I get in to the hotel?
